COMMITTEE DISCUSSION SUMMARY (include description, help needed from the office, etc.)

DISCUSSION ITEM	ASSIGNED TO	DUE DATE
Current Shepherding: • Neal Coogler to Nadia @ Carpenteria. Nadia attended 1 zoom meeting about Google. Also no one has heard from her since. I told Neal to try trying to contact her. • John King Shepherding D.A. in Texas. They have had a challenge with their schedules to "meet" under the could situation + with the pen zoom meetings we are learning what works + it's a "new" shepherding process? John will check on where Jim is with "Degreeing." • Brian Irion asked by me to Shepherd proposed member Michele Hoover, who has yet to attend one meeting / zoom. ② I feel the committee should have 50% / 50% men + women. Make-up of PEA - not discussed - ran out of time. ③ Got the name of the last member of each committee person shepherded: Brian Irion new to committee, has Not Shepherded anyone - he is very willing to start! • Time ended - Great Group!	Neal Coogler John King Brian Irion	done on going on hold
