Subject: Recap of quick Booster committee meeting on 8/10/23

Categories: 1-PEA

Today we decided to approach the board for approval at the next meeting for the holiday party to be held at the Italian Club like last year. We need board approval to send in the deposit for holding the date.

Angi agreed to create little paper slips for a quick survey of the members at the in-person meeting next week. We would like the questions to ask:

- 1) Do you plan to attend the holiday party which will be on 12/16(?) and how many would attend in your party?
- 2) How much would you be willing to pay for a ticket (check all that apply):
 - \$100
 - \$115
 - \$125

Julie to call Bob/Karen Bowne to see if they plan on coming and if Bob would have any interest in being our music entertainment for the evening. If so, how much would it cost us? If not, maybe approach Tom Upton about his band?

The committee decided that this year we should underwrite expenses and create specific sponsorships so people can see exactly what their sponsorships are supporting. Then have visible signage for each at the party in addition to acknowledgment of sponsors on weekly announcements, verbal acknowledgement at the event, and a small ceremony to have them come up to the front of the room and receive a token of appreciation.

We started throwing out other ideas about how to spruce up the room more this year and whether to have a raffle or contest for prizes. If we decide on a raffle we can ask Angi about filing an application for a permit for that since we have enough time to get it done at this point. But this can all be follow up discussions in our subsequent meetings.

After we get board approval we will book the venue and then decide on our next meeting date/time.

I think that covers it.
